Imo state university

Computer Science
2024 - 2027

SKILLS

- HTML
- CSS
- JavaScript
- Typescript
- React
- NextJs
- React Native
- Tailwind CSS
- Responsive Design
- Git & Version Control

ABOUT ME

I'm a Frontend and Mobile App Developer skilled in React, NextJs React Native, JavaScript, TypeScript and Tailwind CSS. I build clean, fast, and user-friendly web and mobile experiences. I enjoy solving problems, collaborating with teams, and I'm currently expanding into Blockchain/Web3 development.

EXPERIENCE

Frontend Developer   Oct 2024 - Jan 2025

TechBubble (Open source)

- Developed a fully responsive authentication system (login, signup, password reset etc.) using React..
- Collaborated with backend developers integrating Node.js APIs.
- I ensured smooth functionality and optimized performance across devices..
